

INDIVIDUAL FIRST AID KIT (VANGUARD IFAK)

What's Inside:

- **Tourniquet:** Swiftly control severe bleeding and save lives in critical situations.
- **Emergency Bandage:** Quickly dress and secure wounds with this versatile bandage.
- **Self-Adhesive Patches (2x):** Ideal for gunshot wounds, these patches provide a strong seal to stop bleeding.
- **Burn Gel:** Soothe and treat burn injuries promptly.
- **Fr28 Nasopharyngeal Probe (NPA):** Ensure open airways in emergency situations with this crucial tool.
- **Compressed Gauze:** Sterile and absorbent, perfect for wound packing and dressing.
- **Marker:** Label your treatment, ensuring clear communication in high-stress situations.
- **Medical Tape:** Secure dressings, splints, and more with this medical-grade adhesive tape.
- **Emergency Blanket:** Retain body heat and protect against hypothermia.
- **Elastic Bandage:** Provide support and compression for sprains and strains.
- **Medical Scissors:** Essential for cutting clothing and materials quickly and safely.
- **Splint:** Stabilize fractures and injuries for safer transport.
- **Burn Dressing:** Immediate relief for burns with this specialized dressing.
- **Abdominal Pad:** Absorbent and sterile, designed for abdominal wounds.
- **Alcohol Swabs (2x):** Disinfect and clean wounds with these handy swabs.
- **Triangular Bandage:** Versatile and ideal for slings, bandages, and immobilization.
- **Medium Bandage:** Cover and protect various wound sizes with ease.
- **Hemostatic Dressing**
- **Molle System Transport Bag:** Durable and designed for easy attachment to your gear or belt, ensuring your IFAK is always within reach.
